JOB POSTING

Entry Level Marine Technician

Moxy Marine Services, a full service mobile marine repair business, is currently recruiting a full-time, year round Entry Level Marine Technician to perform basic maintenance, repairs and installations of onboard equipment and machinery. We are seeking a mechanic that is looking for a long term career in the marine repair field with the desire and initiative to expand their knowledge and grow within our company.

Requirements to be considered for this position:

- A high school education (or the equivalent)
- 1 + years of field experience as a marine mechanic, but will train the right candidate
- Must take pride in your work and present yourself professionally and with integrity
- The ability to read and understand technical material
- Basic math and metric system knowledge
- Good verbal and written communication skills (i.e. write detailed write-ups)
- The ability to follow instructions and respond well to management's direction
- The ability to complete tasks on time
- Willingness to work overtime
- Willingness to participate in training/certification/educational programs
- Must have reliable transportation, a good driving record and report to work on time
- Have your own personal hand tools (we provide all specialty tools)

Knowledge base must include:

- Deck Gear/Hardware Removal and Reinstallation
- Port and Hatch Rebedding
- Diesel and Gasoline Engine Maintenance and General Repair
- Fuel System Maintenance, Repair and Installation
- Climate Control and Refrigeration Installation and Repair
- Sanitation and Plumbing Maintenance, Repair and Installation
- Battery Maintenance and Installation
- Bilge and Engine Room Cleaning

Wage/Salary: Competitive and commensurate with knowledge and experience level
\$30,000 - \$40,000 annual base earning potential

Position Type: Full time, year round position

Benefits: Available after completion of trial period

Location: Charleston, South Carolina

To be considered, please complete the online application at www.moxymarine.com/careers/ and attach your cover letter and resume to the application.
