JOB POSTING Marine Technician

Moxy Marine Services, a full service on-site marine repair business, is currently recruiting a full-time, year round Marine Technician with mechanical and electrical proficiency and the ability to diagnose, repair and install onboard equipment and systems. We are seeking an experienced technician that is looking for a long term career in the marine repair field with the desire and initiative to expand their knowledge and grow within our company. This is not an entry-level position.

Requirements to be considered for this position:

- Trade/technical school education (or higher)
- 3 + years of field experience as a marine mechanic or electrician
- Must take pride in your work and present yourself professionally and with integrity
- Ability to balance production and a quality end product is crucial
- Dependability and a strong work ethic is a must
- The ability to read and understand technical material
- Mathematical and metric system knowledge
- Excellent verbal communications skills (i.e. provide feedback to management regarding job status, discuss problems, recommend solutions, etc.)
- Excellent written communication skills (i.e. write detailed write-ups)
- The ability to work independently, complete tasks, complete tasks on time and respond well to management direction
- Source and procure parts locally and online
- Willingness to work overtime
- Willingness to participate in training/certification/educational programs
- Must be able to sea trial boats
- Have your own personal hand tools (we provide all specialty tools)

Knowledge base must include the diagnostics, repairs and installations of these systems:

- Electrical (AC and DC)
- Electronics and Autopilots
- Stabilizers and Trim Tabs
- Refrigeration and Climate Control (including chiller systems)
- Sanitation and Plumbing (of all onboard water systems, including watermakers)
- Batteries and Chargers/Inverters
- Diesel and Gasoline Engines
- Gensets
- Fuel Systems
- Sail Systems

ABYC, NMEA and/or manufacturer certifications are not required, but are a plus.

Wage/Salary: Competitive and commensurate with knowledge and experience level
\$42,000 - \$63,000 annual base earning potential

Position Type: Full time, year round position

Benefits: Paid time off, paid holidays, health insurance reimbursement and retirement benefits available

Location: Charleston, South Carolina

To be considered, please complete the online application at www.moxymarine.com/careers/ and attach your cover letter and resume to the application.
